

# LANDSCAPE ARCHITECT / URBAN DESIGNER

## FULL TIME – DENVER OFFICE (2-4 YEARS EXPERIENCE)

www.digstudio.com

### Location

1521 15th Street, Denver, Colorado - two blocks from Denver Union Station and one block off the Cherry Creek bike trail in a historic warehouse in Lower Downtown near multiple transit stations.

### Description

Dig Studio is a young company of seasoned professionals – skilled in Landscape Architecture, Planning, and Urban Design with offices in Denver and Phoenix. **We are looking for amazing people to do fantastic work: proactive and inspired professionals looking to make an impact.**

Our **Denver office** is seeking qualified candidates with 2-4 years and 8-10 years of experience working as or with a licensed Landscape Architect to join our talented team. Candidates should be passionate about our profession, self-motivated, hard-working, enthusiastic, must display strong creative skills and adaptability for different project types. The ability to work well in an energetic and collaborative culture is a must. Candidates should have a strong ability to provide high quality, clever, client focused design and planning solutions. Excellence using 3d tools to design (SketchUp, Rhino) and ability to quickly produce illustrative plan and perspective renderings (Photoshop, Illustrator) is required. Candidate should be AutoCAD proficient and be adept at creating Construction Document packages.

Landscape Architect/Project Manager (8-10 years experience) candidates shall also show successful experience managing projects at a variety of scales and project types.

### Responsibilities:

- Collaborate and communicate effectively with project teams, clients, and consultants
- Prepare construction document sets, including construction details, layout, grading and planting plans
- Produce project graphics such as 3D Models, Analysis Diagrams, and Plan Renderings
- Participate in all phases of a project's evolution from planning and design to construction documents, specifications, and construction observation.

### Qualifications:

- Experience and interest in a variety of project scales and types
- Thorough understanding of construction details, specifications, and construction document packages
- Excellent organization skills
- Willingness to explore multiple ideas
- Drive and self-motivation to finish tasks, solve problems, and continue to improve and expand skill set
- Project Manager candidates - Experience and interest in leading and teaching others on a team

### Education Requirements:

Bachelor's or Master's Degree in Landscape Architecture, Planning or Urban Design from an accredited College or University.

### Technical Skills & Program Knowledge

#### Required:

AutoCAD	Adobe Creative Suite
SketchUp	Microsoft Office
Google Earth Pro	Hand Graphics

#### Preferred:

Rhino	Land FX
Vray	Grasshopper
Revit	Ajera

### Submissions:

Qualified candidates should email your resume and portfolio to [gretchen@digstudio.com](mailto:gretchen@digstudio.com) and **reference 'Landscape Architect Denver 2-4 or 8-10 years** in the subject line.
