

LANDSCAPE DESIGNERS/ARCHITECTS 3-5 & 6-8 YEARS

City: Denver, CO and Phoenix, AZ

State: CO

Zip Code: 80202

Country: UNITED STATES

Category: Designer, Landscape

Experience Level: Entry Level

Years of Experience: 3-5 and 6-8

Compensation: Commensurate with Experience

Description: We think holistically. For us, the human domain is part of the natural domain. It is one integrated whole. Driven by our curiosity and unified desire to explore, we relentlessly pursue thoughtful solutions that break new ground.

Dig Studio is a young company of seasoned professionals – skilled in Landscape Architecture, Planning, and Urban Design with offices in Denver and Phoenix.

We offer full coverage for health insurance premiums, dental and vision, paid licensure and LARE exams, professional trainings, professional organization membership, bicycle parking, Short and Long-term disability, 401K with annual profit-sharing contributions, and annual discretionary bonuses. We also offer case-by-case work from home flexibility up to 2 days per week.

Our **Denver AND Phoenix offices** are seeking qualified candidates with 3-5 years and 6-8 years of experience working as or with a licensed Landscape Architect to join our talented team. Candidates should be passionate about our profession, self-motivated, hard-working, enthusiastic, must display strong creative skills and adaptability for different project types. The ability to work well in an energetic and collaborative culture is a must. Candidates should have a strong ability to provide high quality, clever, client focused design and planning solutions. Excellence using 3d tools to design (SketchUp, Rhino) and ability to quickly produce illustrative plan and perspective renderings (Photoshop, Illustrator) is required. Candidate should be AutoCAD proficient and be adept at creating Construction Document packages.

Landscape Architect (6-8 years experience) candidates shall also show experience managing small projects, budgets, and teams.
