

LANDSCAPE DESIGNERS/LANDSCAPE ARCHITECTS 0-6 YEARS

City: Phoenix, AZ or Spokane, WA

Experience Level: Entry Level – Mid Level

Years of Experience: 0 – 6 years

Description: We think holistically. For us, the human domain is part of the natural domain. It is one integrated whole. Driven by our curiosity and unified desire to explore, we relentlessly pursue thoughtful solutions that break new ground. Dig Studio is a young company of seasoned professionals – skilled in Landscape Architecture, Planning, and Urban Design with offices in Denver and Phoenix.

We offer full employee coverage for health insurance premiums, dental and vision, paid licensure and LARE exams, professional trainings, professional organization membership, bicycle parking, Short and Long-term disability, 401K with annual profit-sharing contributions, and annual discretionary bonuses. We also offer work from home flexibility.

Our Phoenix or Spokane offices are seeking qualified candidates with 0-6 years of experience working as or with a licensed Landscape Architect to join our talented team. Candidates should be passionate about our profession, self-motivated, hard-working, enthusiastic, must display strong creative skills and adaptability for different project types. The ability to work well in an energetic and collaborative culture is a must. Candidates should have a strong ability to provide high quality, clever, client focused design and planning solutions.

Excellence using 3d tools to design (SketchUp, Rhino) and ability to quickly produce illustrative plan and perspective renderings (Photoshop, Illustrator) is required. Candidate should be AutoCAD proficient and be adept at creating Construction Document packages.

To learn more about Dig Studio (a woman-owned, small business), visit our website at www.digstudio.com

Responsibilities:

- Collaborate and communicate effectively with project teams, clients, and consultants
- Prepare construction document sets, including construction details, layout, grading and planting plans

- Produce project graphics such as 3D Models, Analysis Diagrams, and Plan Renderings
- Participate in all phases of a project's evolution from planning and design to construction documents, specifications, and construction observation.

Location:

3003 North Central Ave, Suite 800, Phoenix, Arizona - Located in Midtown with amazing views, lots of natural light, near Park Central and Light Rail.

Or work from our Spokane, WA location with two other Dig Studio team members, supporting our Phoenix team remotely. N. 203 Washington, Suite 310, Spokane WA.
